

DELHI PUBLIC SCHOOL : BULANDSHAHR -U.P.
CIRCULAR-09

01 August 2016

Dear Parents,

It has been reported by ARTO Bulandshahr that the VANS being used by the children for transportation to school and back have been found over loaded i.e carrying more than the prescribed seats for the VAN. This being illegal also poses safety risks for the occupants.

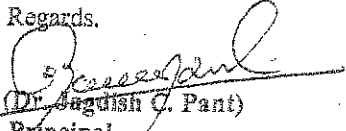

You are requested to ensure that the VANS carrying your children should not have more than prescribe number of occupants as shown in the registration paper.

ARTO Bulandshahr has clearly instructed that any driver found flouting the norms would be Challenged and the VAN will be seized.

The Drivers have also been warned not to be used ear-phone/mobile phone while driving the VAN, in case, you find any driver using ear-phone/mobile phone while driving, kindly report the matter directly to the ARTO, Bulandshahr or undersigned.

Your co-operation in this regard will be highly appreciated.

Regards,

(Dr. Jagdish C. Pant)
Principal
