

DELHI PUBLIC SCHOOL BULANDSHAHR -U.P.
CIRCULAR No. 33

Dated: 13 September 2019

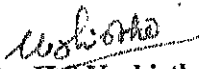

Dear Parents,

It is observed that **some of the students have developed a tendency of reporting late** to school by **few minutes** which shows indiscipline, whereas discipline is a very important aspect in the life of the students. School is a platform where we teach discipline and time management for all round development of the students. It will also hamper the smooth functioning of the school. This habit must be discouraged by all the parents.

Kindly note that if your ward is reporting late to school, he/she will not be able to **understand the subjects taught in the class which is a loss of study**. If they repeat the same, school management will be compelled to send them back home.

Your co-operation in this regard will be highly appreciated.

Regards.
