ADVISORY NOTE

Dear Parents

This has reference to our previous communication regarding **Safety & Security** of your ward. Some of the parents are sending their children in a **self arranged vans** to school and back. Some of these vans have no valid **permit,fitness,insurance** etc. These vans are not commercially registered and also they are more than 10 years old. These vans are carrying children more than the prescribed seats in it. This being **illegal** also poses **safety risks** for the **children**.

You must be very much aware about the fact that these vans are not following the **rules/regulations/guidelines** related to **private vans** as instructed by the **Hon'ble Supreme Court**, Transport Authority, District Administration & CBSE.

The safety and well being of our **children should be placed at the top of our priority list**. Considering all the above points, the Management of DPS Bulandshahr requests you once again to **kindly send your ward through School Transport which will be safer**. Your co-operation with regard to security & safety of children will be highly appreciated.

Regards.
